Dear Alarm Association of Florida Mr. Neely,

On behalf of the Palm Beach State College Foundation Board, the Palm Beach State College Board of Trustees, and the 48,000 students we serve annually, thank you for your recent donation. We received \$750.00 from check #15077, dated Friday, May 19, 2017 for the Low Voltage Contractor's Scholarship Fund.

Palm Beach State College became Florida's first public community college in 1933. Today, the College is nationally recognized as the 5th largest producer of associate degrees (AA/AS) in liberal arts and sciences, general studies and humanities and offers targeted Bachelor's degrees to address professional workforce needs. With over 100 programs of study and campuses in Belle Glade, Boca Raton, Lake Worth and Palm Beach Gardens: Palm Beach State is a comprehensive institution dedicated to educational excellence.

Palm Beach State College Foundation has launched an initiative to support the national, state and community objectives of increasing the number of skilled people available to fill the expanding career market in Science, Technology, Engineering, Arts and Math (STEAM). The initiative seeks partnerships to develop student internships, scholarships and academic programs.

Your donation to Palm Beach State College is an investment in the future of our community. In pursuing their careers, our graduates become integral members of Palm Beach County.

Thank you again for your support.

Sincerely,

Suellen K. Mann, MBA, CFRE  
Executive Director
