Plantation, FL 33322

Dear Director Neely:

On behalf of the Chair, President and Board of Trustees for the Florida Police Chiefs Education and Research Foundation, thank you and the Alarm Association of Florida for your 2017 donation of \$750 for our Building Fund.

We are truly honored that the Alarm Association has chosen to provide continued support for the Florida Police Chiefs Association headquarters. More than just a building – it is a legacy to honor Florida police chiefs. With training facilities, meeting spaces, law enforcement history and commemorative art, this building will honor the dedicated service of our members from the past, present and future.

Again, thank you for your donation and your continuous support.

Sincerely,

Amy Mercer  
Foundation Trustee/FPCA Executive Director
