

The **MOBILE** Answer to Your Company's Licensing Problems

ShowMYBadge is currently offering the first electronic BASA and FASA badging for license holders in the State of Florida. This not only offers convenience and reliability for the people in the field, it also offers companies of all sizes the ability to maintain compliance, manage users and avoid costly fines and liabilities in one simple to use solution.

Why get a company account on ShowMYBadge?

Why get a company account?

- Quicker Approval

Your employees will receive quicker approval and activation of their badges and avoid unnecessary and costly delays.

- Save Time and Money

Stop gathering photos, filling in forms and dealing with lost badges.

- Qualifying Agent Protection

When qualifying agents change it is a liability for all parties. Printed badges must be reissued at substantial expense. ShowMYBadge reflects changes instantly at no additional cost.

- Decertifying Users

Instantly deactivate users without the stress and hassle of having to retrieve a physical badge.

- Email Domain Control

Users must use your company's email ensuring that they do not apply for badges with personal email accounts over which you have no control.

- Full Administration Tracking

*Access a full accounting system that displays all your badges including expirations. Export the data for use in external systems. **With ShowMYBadge, you will never again worry about the state of your employees' licensing again!***

Accounts available for small and medium companies as well as enterprise accounts. For more information, contact: sales@showmybadge.com.
