Dear Mr. Neely:

On behalf of the Florida Police Chiefs Association's Professional Standards Committee, thank you for your invaluable contribution to our *2018 New Police Chiefs Seminar* recently held at FPCA Headquarters in Tallahassee, Florida.

We are extremely grateful for your generous financial support which makes these seminars possible and successful. While our attendee list was smaller than usual for these trainings, we know that each attendee greatly appreciated the personalized message you sent to them in your absence. We appreciate your contribution in sponsoring the lunch for all attendees and know that because of your generosity, attendees left better equipped to lead our state's law enforcement agencies.

Once again, thank you. We are grateful for this strong partnership with Alarm Association of Florida, Inc. and look forward to seeing you at our upcoming trainings.

Sincerely,

Amy Mercer
Executive Director
